- Leadership and management
- API development (JSONAPI, RESTfull)
- PHP (Laravel, Wordpress)
- JavaScript (EmberJS, adonis.js, jQuery, react, node)
- CSS 3 (Less/SASS)
- HTML5
- MySQL, MSSQL
- Apache, IIS
- Docker

## Experience

<p><b>2015 -</b></p>	<p><b>Ornio SHPK, (Kosovo) - Web Developer</b></p> <p>Building Web Apps for our clients, one of our apps that i'm involved at all time is uwork.no is a app build with ember.js, app scope is hospital staff recruitment now is on version 3 we are maintaining but we took some decision that version 4 should be build on react.</p> <p>We also work with WordPress for some clients with low budget or event free for some NGO's.</p>
<p><b>2017 - 2018</b></p>	<p><b>Laborator - themeforest.net (Part Time)</b></p> <p>Laborator is themeforest based company, I work in support team for Kalium theme. It's create experience to server the clients to understand the theme and functionality. Try always to find bugs and report them to development team.</p>
<p><b>01/10/2014 15/03/2015</b></p>	<p><b>Trokit, Prishtina (Kosovo) - Web Developer</b></p> <p>Advancing custom built CMS for corporations, adding more complex logic for client system futures. Also bringing solutions on upgrading WordPress and WPML which most of time problematic when is not done right.</p>
<p><b>01/03/2014 01/07/2014</b></p>	<p><b>Lokacioni.com - Prishtina (Kosovo) - Web Developer and Web Department Manager</b></p> <p>Self developed system for business listing and advertisement by using WordPress as platform, lokacioni.com is multiple site that was highly coded by me to achieve control from one place all other sites. Each site had capabilities to have dedicated domain and all features of theme to be managed independently. Another important future is I developed the API for mobile version.</p>
<p><b>05/10/2013 04/10/2014</b></p>	<p><b>Trokit - Prishtina (Kosovo) - Web Developer</b></p> <p>Strong Experienced on WordPress Platform, developing commercial, interactive web applications &amp; government applications.</p>
<p><b>10/10/2011 14/04/2013</b></p>	<p><b>Albvision - Prishtina (Kosovo) - Web Developer</b></p>

	<p>Initially I was an intern and after six months I was upgraded to the head of the department. In the latter post I was responsible for the website development phases as well as acquiring the newest developments in the market in order to keep the innovative section of the company up to date. Also helping the team on Web Server Maintenance for performance and security issues.</p>
<p><b>01/10/2010</b> <b>15/05/2011</b></p>	<p><b>Illyrian Airways - Prishtina (Kosovo) - IT Manager</b></p> <p>I was involved from first day had to prepared the office to install the network and computers and for sure the Active Directory, Installing and Configuring Server 2008, Web Server and Mail Server.</p>
